

## Ensuring the future of the Falmouth Classics

### Become a Patron of The Falmouth Classics Association

Support the continuance and development of a very successful annual sailing event in the beautiful surrounds of the Fal, which provides an opportunity for owners of heritage vessels, classic designs, traditional rigs and vessels designed in the spirit of tradition to race, parade and enjoy each other's company.

The Falmouth Classics celebrated its 30<sup>th</sup> Anniversary in 2017 and a number of participating boats have sailed in the event every year. Since 2013 the event has been run by Falmouth Classics Association Ltd with the valued support of the Royal Cornwall Yacht Club who were commissioned to be the organising authority for on the water activities. As an affiliate of the Royal Yachting Association the Association itself became the organising authority in 2018. A feature and attraction of the event is free berthing in Falmouth Haven, which has been made possible by sponsorship and the valued support of Falmouth Haven.

Unfortunately, Covid 19 required cancellation of the 2020 event, but in 2021 an event suitable to meet both Covid regulations and the challenge of G7 was successfully run. In 2022 the three-day event is to be held from the 17<sup>th</sup> - 19<sup>th</sup> June.

2019 saw 190 boats entering and over 500 crew, more than 50% came from other parts of the south west, the Solent, Bristol Channel, Thames Estuary, east coast and France. For the third year running the event was the largest of its kind in the UK.

Your contribution, to one of the largest classic sailing events in the UK, will help to secure the event for the future and enable further development.
